Return to Learn Update

- Hybrid groups - By Monday, all of our Hybrid students will be in! We cannot thank our teachers and staff enough for this monumental feat. Their dedication to students and families has remained unwavering during these very stressful times.
- Attendance - remains over 97% since the start of the year.
- Survey - Another Family Choice survey will go out the first week of January for the second semester of the school year. Families are asked to complete the survey immediately so the administration can plan accordingly. Unlike last time, any family that DOES NOT complete the survey will be automatically put in as REMOTE. Thank you for your understanding.

Travel Guidelines

As Thanksgiving and Winter Break are just around the corner, we want to make sure you have up-to-date information regarding the travel restrictions imposed by the Cook County Department of Public Health (CCDPH). The CCDPH recommends a 14-day quarantine for any individual entering Cook County from a state that is considered a COVID-19 high incidence state. The Suburban Cook County Travel Quarantine List is updated every Tuesday and goes into effect each Friday. The list can be found on the CCDPH website at the following link:

<https://cookcountypublichealth.org/communicable-diseases/covid-19/covid-19-travel-guidance/>

In order to safely plan for continued Hybrid instruction, we are asking families to complete a travel survey by Monday, November 16, 2020.

If your student will be traveling to any of the states on the list, your student will need to quarantine for 14 days upon return, even if they have no symptoms of COVID-19. A negative COVID-19 test result will not allow students to return early from the 14-day quarantine.

Metrics Team Update

Our Metrics Team met again this week to discuss the various factors that are used to monitor the instructional approach. While the numbers around the county are very concerning, we also must consider our local numbers and our ability to function within the organization.

In addition the [Suburban Cook County School guidelines](#), the team also looks at our Golf 67 metrics. Such factors include:

- Number of staff in quarantine
- Number of students in quarantine
- PPE Inventory - sufficient
- Substitute availability - concerning
- Custodial staffing - concerning
- Niles Township Districts' status - Many of the districts are moving to adaptive pause between Thanksgiving and Winter break

Metrics Team Update

Preliminary Recommendations:

Please note that these are targeted dates. As we all know, information changes by the hour and these recommendations may need to be revised.

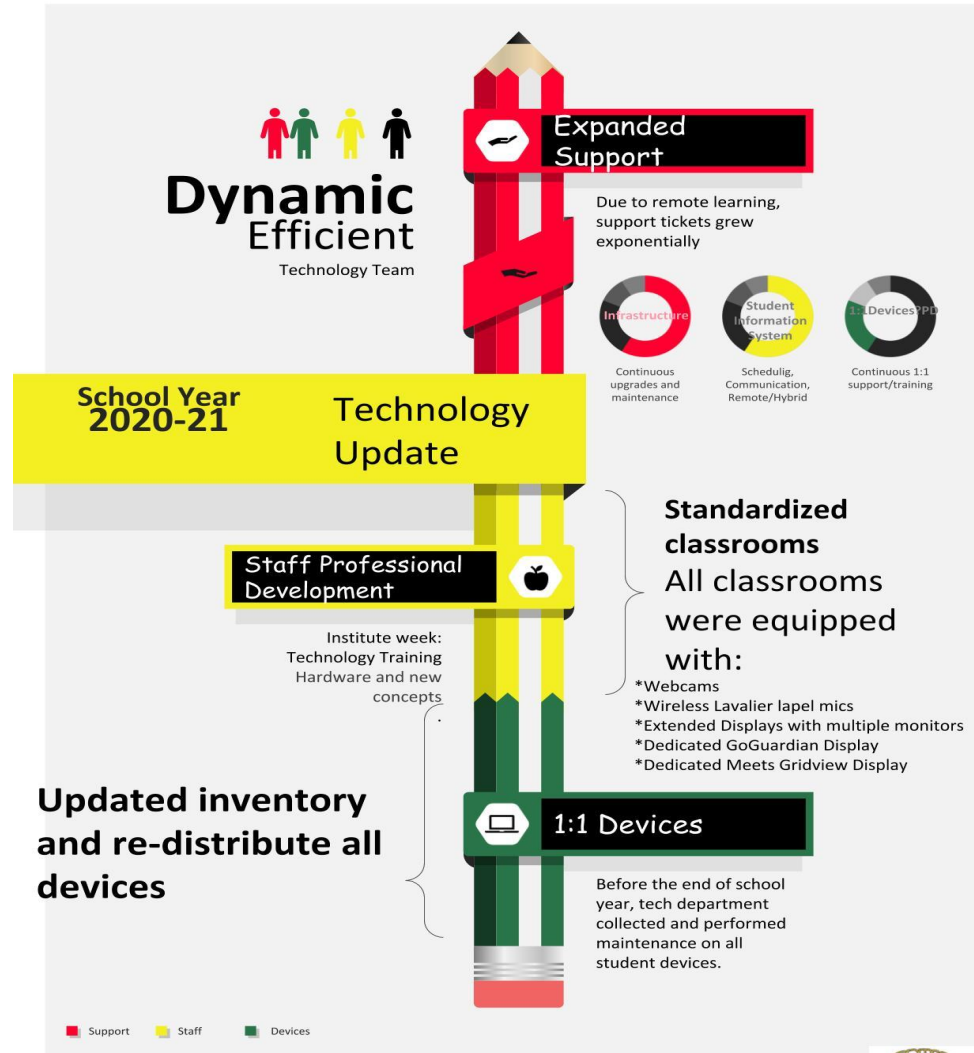

1. Move to adaptive pause (all remote) between Thanksgiving and Winter break
2. Special populations may still come to school for their services
3. Remote Instruction for all from January 4 through January 19
4. All staff return to work January 19
5. All hybrid students return to buildings January 21

New Committees

Calendar - In early 2021, I will convene a Calendar Committee to discuss topics such as equity, overlap of Township meetings, Institute days and other issues that may arise as we plan for the uncertainty of next fall.

Institute Day - I will convene a committee to complete a Needs Assessment to better plan for professional development in the 2021-2022. We will include CFC in our discussion to continue to coordinate services.

Shout Outs!

Our phenomenal PTA - Thank you for the T-shirts, the lounge treats and the cupcakes. You have no idea how much that means to staff! It really brightens their days!

Our terrific Tech Team - This flexible and versatile group of professionals have provided staff and families with realtime support and help.

Out Families- Thank you for helping to keep our community safe. We have not to send any student home sick and lanyard usage is extremely high!

And of course, our entire staff for their dedication and commitment to educating all students! Be on the lookout for our next Chalkboard edition which will highlight our amazing staff and students.
